RESPONSE TO MISSING PART

Sir:

This is in response to the office action dated October 19, 2004. A substitute specification was filed *bona fide* on 8/3/04 due to the number and nature of the amendments to the original application.

Pursuant to 37 CFR 1.125(b)(1), applicant hereby states that the substitute specification filed on 8/3/04 with amendment A includes no new matter.

Applicant hereby declares that all statements made herein are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statement may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this statement is directed.
